PENTASPACE CONSULTANTS, MUMBAI

**Beaumonde, Mumbai**

When you talk about skyscrapers and super skyscrapers, Mumbai is still in its initial phase of completing the likes of Lodha World One, India Bulls Sky, Bombay Realty Towers, etc. From the ones that are completed, Beaumonde in Mumbai by Seth Developers stands out from the crowd.

The site development and amenities are thought-out and implemented suitably, adding to the overall impact of being one of the best high-rise projects in the city. It's a well-designed project that uses energy efficient materials on the façade to reduce maintenance.
